

Call for Entries – Framework Program 2018

10. — 15.
APRIL 2018

FOCUS – ITALY

Topic 1: “Corruption – Influence on Society and Culture“

Topic 2: “Dual Citizenship – Where is Home? “

In context of our framework program for our 15th KURZSUECHTIG Film Festival, we are looking for Italian short films concerning the topics named above. The festival takes place from April 10th to 15th, 2018, in Leipzig. The films should be in HD-format and should not exceed the length of 20 minutes. For each topic there should be four to six films with a length of 60 to 90 minutes in total. We would need the films at the end of January to subtitle them in German. If they already have German subtitles, it would be even better. If possible the film should be free of royalties. There will be a lecture about corruption (April 12th) and another one about dual citizenship (April 13th) at the University of Leipzig. On April 14th and 15th the Italian film program will be screened at our festival in the Kunstkraftwerk Leipzig with a panel discussion afterwards. One or two film makers will be invited to our festival for each topic, so they can contribute to the respective panel discussion. There will also be various guests who take part in the conversation about the particular topics.

Furthermore, we are looking for sponsors, who would like to share the costs of travel and accommodation expenses of the Italian film makers.

Please contact us for further information!

With kind regards

Mike Brandin
