PERSONAL CHARACTERISTICS

I studied film directing at the Florestano Vancini School of Cinematographic Arts in Ferrara. I'm a film and audiovisual enthusiast.

I'm a sociable, straightforward, transparent, and determined person in every project I undertake. I'm sensitive to what's happening around me. I enjoy reading and watching films that keep me engaged and stimulate my thoughts.

I enjoy working with other people, sharing experiences, and building a team. I'm hardworking and eager to learn, always ready to set new goals, and always striving to give 100%.

Active in finding solutions in case of problems or hitches in the requested work, maximum attention and participation.
