PROFESSIONAL SUMMARY

I am a Hair and Make up Artist trained at Delamar Academy in London and IAM School of Make Up in Bologna, with four years of on set experience. I work confidently in fast paced environments, supporting the team with a practical and collaborative approach.

My previous experience in hospitality and management roles has strengthened my ability to stay organised, communicate clearly and remain calm under pressure. I place strong value on the human side of the job, contributing to a positive and professional atmosphere on set.
