

Lùmetri

Società Artigiana Digitale

We are **Lùmetri**, a new digital artisan company in Forlì. Founded in **June 2021**, we have interfaced with several film production companies in the Forlì area: **OndaFilm**, **Yuna Film**, **Horizon**; with whom we have collaborated as audiovisual backstage production and production assistants/secretaries for various projects on cinema and commercial sets.

We also collaborate with **Teleromagna** as correspondents for video shooting for special reports or news clips.

In addition to this we deal with: website design, online and offline graphics creation, social media marketing and management, photo shoots and of course audiovisual production.

Our work history in **audiovisual production** goes on like this:
