

## Company Profile

FLATMIND VIDEO PRODUCTIONS SAS is a video production company based in Italy, where it is one of the most innovative and solid multimedia sector groups in the world.

Officially born in 2008 by Andrea Bosi and Roberto Gianstefani who have been collaborating for years in the audiovisual multimedia sector.

Over the past fifteen years, we have satisfied all customers in Europe, Hong Kong and Mainland China with audiovisual and motion graphics animation products.

We convey your brand and key messages to the audience in a clear and impressive way, we tell your story visually and vividly, we shape your exceptional vision in today's market.

We provide all kinds of multimedia products for customers from corporate video production, E-learning, advertising video, event video, documentary and news, music video, 2D & 3D video.

Our service includes the development of the creative idea, storyboard and script, shooting and editing, post-production and color correction.
