

CRISTIAN MORELLO

My name is Cristian Morello and I am a filmmaker and photographer specialized in video production, editing and color grading. I work through Creative Pro, my creative identity, with which I create professional visual content for companies, brands and creatives. I offer a complete service, taking care of every phase of the production from the writing of the script to the realization of the shooting, up to the editing and post-production.

Work portfolio

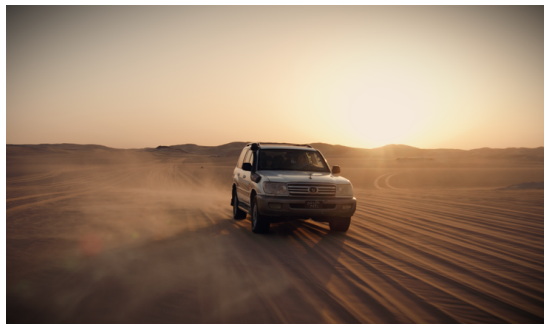

“Fuori dal ring”

Commercial spot set in the world of Italian amateur boxing, focused on balance and discipline.

“Thisworld”

Visual documentary shot in Egypt for the international project with Thisworld, the objective of telling stories of identity, belonging and culture. I took care of the direction of the photograph and the entire operation in the camera.

11

In 2023 I appeared in Nomadict magazine during my stay in Normandy as a visual creator, in 2024 I made a documentary.

ViewSonic
ColorPro

Mini documentary shot in Turkey for Viewsonic in 2023 based on the history and art of the master Chez Gohan.

For years I have been working and advertising DJI products in preview, creating content and commercials

Spot per DJI mini 4 pro

Spot per DJI Neo
