

EMMA GASPARINI PAPOTTI

director and photographer

Nationality Italian

Age 23 years old

Date of birth August 2nd, 1998

Based in Bologna and Rome

I am an **energetic and responsible person**. I like to meet new people and working in group. I am trustable and precise. I always put care and dedication in my work, trying to put myself out of my comfortable zone.

I graduated at Academy of fine arts of Bologna with a thesis entitled "**Portrait of the contemporary society in the italian film industry: comparison of *Bad Tales* (by D'Innocenzo brothers) and *The Predator* (by Pietro Castellitto).**"

My short film ***The Eclipse*** was selected also at the debut film festival of Cineteca of Bologna.
