PROFESSIONAL AND PERSONAL SKILLS

I'm an experienced production designer with involvement in films, theatre plays, commercials and television programs and I love what I do.

I have a large network of vendors that supply products for any type of production, both in NY and the rest of the country.

Strong ability to manage resources, budget and people effectively .

Passionate to deliver my best and achieve professional excellence through consistent performance at work.

Analytical, problem solving, artistic skills and multitasking attitude.

Provide design solution for accessories, props and other requirements.

Able to produce freehand sketches and accurate scale models plans and work out drawings in collaboration with the director.

Able to coordinate set construction and decoration.

Ensure client satisfaction through timely and cost efficient design solutions.
