SYNC CATALOGUE

Original cinematic music available for sync licensing
in film, TV, series and branded content

About

Christian DeLord is an Italian composer and sound designer based in Bologna, specialising in original music and audio post-production for film and audiovisual content.

He composes **original scores** for *film* and *series*, and actively develops his editorial catalogue for music sync licensing in international productions. His work focuses on **cinematic storytelling**, blending *orchestral* and *electronic* elements to serve the *emotional* arc of each project.

Through **InnoBrain JC S.r.l.**, his Bologna-based audio post-production studio, Christian collaborates with *production companies* and *independent filmmakers* on sound design, music composition and audio strategy for film, series and branded content.

A graduate of a **professional specialization** in sound design and film music at **Fonoprint Studios** in Bologna, supported by *Emilia-Romagna Film Commission* and *Regione Emilia-Romagna*, he is an active member of **CNA Cinema e Audiovisivo** and the **Italian audiovisual industry network**.

Sounclud](#)

DRAMATIC / CINEMATIC

Orchestral and **hybrid electronic** compositions for *dramatic scenes, emotional turning points* and *character-driven moments*. Designed to serve the emotional arc of the story without overpowering the visuals.

TENSION / SUSPENSE

Pulsing, minimal and **atmospheric** music for *thriller, mystery* and *high-stakes sequences*. Designed to build unease and sustain tension through texture and restraint.

UPLIFTING / INSPIRATIONAL

Warm, forward-moving compositions for *documentary, human interest stories* and *branded content*. Clean, accessible and emotionally resonant.

AMBIENT / ATMOSPHERIC

Textural soundscapes and **evolving ambient compositions** for *introspective, contemplative* and *transitional* scenes. Layered, immersive and non-intrusive.
