BIO

Bookseller by day and writer by night.

I studied at Bottega Finzioni, and since then I have dedicated myself to writing and scripting original and commissioned projects. In 2025, my first graphic novel will be published by the UK-based publishing house Gemini Books.

My animation project "Mary and Poli's Guide to Haunted Places" was selected for FuturePitch and Cartoons on the Bay (2021).

The TV series project "Aqua Tofana" was selected for BioToB and Netpitch.
