

RICCARDO SALVETTI
DIRECTOR

Riccardo Salvetti graduated in film production at "Scuola Civica - Luchino Visconti" for Cinema, Television and New Media in Milan.

«In the stories I tell I tend to experience the combination of different genres, in a narrative that often explores dreamlike and surreal tones, with a sensitive eye to social issues.

Thanks to "Rwanda" I have traveled the world, participating in prestigious international festivals and receiving numerous awards. The Docufilm "Die Mauer - the Wall" was broadcasted on Rai networks (national Italian television) for the 30th anniversary of the fall of the Berlin Wall.

Both movies are now available on Amazon Prime Video Italy.

Along with Renato Billi I wrote the feature film "L'importante è la salute" (Your health comes first), which won the Call 2020 for scriptwriting (launched by Italian Ministry of Culture).

In addition to cinema, I love good food, I enjoy traveling, reading manga and discovering narrow paths on my mountain bike, already dreaming about future film projects.»
