I have an excellent ability to relate to people and a very fluid dialectic.

I did a lot of volunteer work.

I practiced cycling at a competitive level for 10 years; I won the pink challenge in 2014 and participated in important international competitions.

I am a person who is always available and ready to work.

I have a passion for make up, art and music.

I play piano, clarinet and paint.

I like being in contact with people and relating to them. I am a very flexible person and I adapt easily to any situation.

I volunteered for two years in a school camp with children and adolescents and for one year as a tour guide in the city of Ravenna.

I have the qualification of make-up artist at European level obtained through the make-up academy of Terni with the Umbria region.

At the moment I'm looking for a job that allows me to stay in touch with the world of

beauty/make up anyway.

Meanwhile I also work as a freelance make-up artist with brides, photographers, models and some fashion shows or private events.

In September I participated as a make-up artist at the Vienna Fashion Week.

In October I took part in the SFX make-up team at Mirabilandia amusement park.

I am always available and ready to work!
