

LUCA SCARABELLI

Producer

Luca Scarabelli is an emerging producer and a film production strategies expert. He graduated in Film Production at the Centro Sperimentale di Cinematografia of Rome (Italian National Film School) and holds a master in Film Administration from the “Sole24Ore Business School” of Milan. He worked in the research and development team of the Italian renowned production company Indigo Film. In 2018 he became Associate Producer of the emerging production company Qoomoon Srl, for which he supervises all stages of production, from research and development to financial strategies. His films have been selected at festivals such as Locarno, Rome, IDFA, Doclisboa, Gent, Mar De Plata and many others.
