PROFILE

Video maker, Steadicam operator and electric stabilizers, drone operator.

EXPERIENCE

I started the business in the 90s by taking part in the making of films, commercials and video clips, initially in the production department where I learned the "life on set" until

that, the meeting with Stefano Salvati director Bolognese, saw me in the role of his assistant

director for music videos of artists such as Zucchero

Fornaciari, Gianna

Nannini, Giorgia, Antonello Venditti, Vasco Rossi (assistant director of Roman

Polanski).

At the end of the 90s I diversified by dedicating myself to other activities (I am the owner of

driving school in Bologna) continuing to offer my services as an operator

videos for individuals and local realities.

I am a steadicam operator (owner) and electronic gimbal and drone.

I N S T R U C T I O N -Commercial high school diploma (accounting).
