

CURRICULUM OF MARCO BASSANO

I have always been struck by the ability of images to capture an emotion and return it to the public.

So the video camera became the first extension of my eye and mine senses and from here my journey began.

The first steps were:

1990 - the course for telecameraman

1990/91 - in Telelombardia, as assistant operator, to represent in a journalistic way the newspaper

- in Lombardia 7 as news and studio operator (18 months)

The first twist:

1992 - start of freelance activity 1992

1993/94 - collaboration with Red Ronny for the "Roxy Bar" program as a still photographer and as an operator for various reportages, including Lorenzo Jovannotti during the construction of his Album "Lorenzo 1994"

The second twist:

1994/96 - the choice to work as a freelance operator and cameraman.
