About me

I was born in Lugo (RA) on 20 October 1995.

Malesio is my unofficial middle name, unique in the world, simple and above all friendly.

I am a creative, active and always positive person. I care about order and precision and I adapt quickly to any environment.

My projects

- I wrote a short story dedicated to Carlo Rambaldi for the magazine *The Ferrareser*.
- I create crosswords and I'm developing a website to make them playable online.
- I'm designing an Escape Room in my home.
- I produced humorous videos for my YouTube channel "*Malesio95*".
- On my Instagram account "*malesio.95*", I documented several cooking-themed challenge series.
- I created two prototypes of board games.
- I played electric guitar and keyboard in my band "*Tartarughe ad Alta Velocità*".

Work Experience

- **Part-time Temporary Warehouse Worker** in corso
Conad COFRA, Conselice (RA)
Responsible for restocking and organizing merchandise on store shelves.
- **Full-time Temporary Warehouse Worker** 2024
Leone di Lugo (RA)
Warehouse organizer and laborer for unloading containers.
- **Full-time Permanent Worker** 2016 - 2022
BorgWarner Systems, Lugo (RA)
Mechanical assembly and electrical cabling of components.

Education

- **Screenwriter**
Graduated from Blow-Up Academy, Ferrara 2022 - 2025
- **Electronic Technicians**
Graduated from I.T.I.S. G. Marconi, Lugo (RA) 2009 - 2014

Personal Qualities

- **Language**
Italian - Native Speaker
English - B1
- **Communication and Management**
I am reserved but adapt quickly. I have a strong ability to learn and always carry out my tasks with care. I work very well both in a team and independently.
- **Technical**
Basic knowledge of assembling cinematographic equipment, including tripods, lights, remote screens, and batteries.
- **Digital**
Excellent use of Windows and Android systems. I am comfortable with any computing method.
- **Driving License (Category B) - Own car**
I currently drive a Ford Fiesta, featuring a large trunk suitable for transporting equipment and an average fuel cost of 0,06€/km.
