ABOUT ME

I like to explore the different components of social and cultural life, in Bologna and traveling across the world. Life is a web of inspirational relationships, collaborations and experiences, which have contributed to increasing skills, methodology, and expectations. Director, operator, editor, photographer, visual anthropologist, communication expert, educator, promoter of fundraising campaigns and cultural/social operator.

Tireless creator of formats, curious in a pathological way, soccer fan, boxer and piadinaro

RAFFAELLO ROSSINI
