PROFESSIONAL PROFILE

Documentary author and producer with several years of experience in international documentary production. I work on international documentaries and series from concept development through to final delivery.

I specialise in editorial development (over 50 documentary concepts developed), historical and investigative research, screenwriting, interview production and conducting interviews, operational production coordination and post-production supervision.

I work on productions distributed by international broadcasters and platforms including Netflix, Amazon Prime Video, BBC, RTL, History Channel, Channel 4, Curiosity Stream, DocuBay, RAI and LA7.

At local level, I collaborate with Caimani Produzioni Video in Rimini on audiovisual productions for public institutions, companies and projects promoting the local area.
