

Beatrice Pucci worked for the cinema with an animated insert to the film *Everything talks about you* by Alina Marazzi, awarded as best director at the Rome Film Festival. Her film *Soil is Alive* is registered in the "Cinquina finalist Nastri d'Argento 2016", and has been selected among the most important international and national festivals such as Animateka, Annecy, Berlinale. She has recently made a short film for a song by Alessandro Fiori and has started an artistic research about popular tales taken from *Fiabe Italiane* by Italo Calvino.
