

Curriculum Vitae of Emma Baruffaldi

Birthplace: Cles, TN

Date of birth: 30/12/1997

Address: Fiorenzuola d'Arda, Piacenza

Languages: Italian, English; German

Tel.: + 39 3319383084

E-Mail: baruffaldi.emma@gmail.com

In 2019, I graduated from ZeLIG School for Documentary in Bozen, specializing in Editing and Post Production. My journey in the film industry began early on, collaborating with the Concorso Film Festival. Since 2019, I've been actively involved with the Lago Film Fest, taking on various roles including film selection, programming, film office management, guest assistance, press coordination, and subtitle management. Additionally, I've conducted [interviews](#) both online and on-site during the festival. Currently, I serve as the coordinator of the [Principi Award competition](#) and hold the role of subtitle manager for the festival.

The Principi Award is an independent initiative that I'm passionate about as it allows me to delve into new cinematic languages and spotlight emerging talents. Through this project, I aim to gain deeper insights into the needs of young filmmakers, promote their work, and contribute to fostering a more equitable environment for new voices in cinema.

In 2023, I had the incredible opportunity to spend a year in Taiwan as part of my university exchange program. During this time, I immersed myself in South-East Asian cinema, learning from local filmmakers and expanding my understanding of the region's rich cultural tapestry. My experience also allowed me to deepen my knowledge of festival networks, gaining valuable insights into the global film landscape.

I pride myself on being extremely adaptable to new environments and thrive on the challenges they present. As a fast-paced learner, I am always eager to absorb new information and grow both personally and professionally.

- ◆ I have a good knowledge of the following software: Avid Media Composer, Davinci Resolve, Adobe Premiere, Protools, Aegi Sub, Outlook, Word, Excel, Adobe Photoshop, Lightroom and After Effects.

Education

2016 - 2019 ZeLIG School of Documentary, Editing and Post-Production
