PERSONAL COMPETENCES

Mother tongue	English and Italian
Communication skills	Excellent communication competences and relational competences, developed in working contexts where the necessity to work in team and/or with a big number of people and different roles need a 360° interaction: from assisting a client, to communicating with the public and with group members (invigilator for the British Council in Milano, House parent for ILH nd Crossing agencies, head of waiter at Osteria del Treno restaurant Milano); and also experience in relating with national institutions such as the Council of Milano, Council of Cervia, Cultural council of Shanghai
Management and organizational skills	I've developed a leading attitude in team work, achieving common tasks, work organization, multitasking and fast problem solving: in academic areas such as university team leading small project groups, in work experience creating and coordinating a group of photographers for cultural and club events (www.partytrash.it) and generally operating in several areas with different references at the same time.
Professional skills	▪ Excellent control over photography and video production: both on technical equipment and software ▪ Profound experience in company communication ▪ Adaptability to different contexts, rapid acquisition of information and identification of priorities ▪ Quick learning and observation in new job opportunities
Informatics skills	▪ Everyday use of apple's osx ▪ Great control over Adobe's imaging software (Photoshop, Lightroom, Bridge, Illustrator, Indesign, Premiere, After effects) ▪ Wordpress
Artistic skills	Great interest and passion for music. From 2002 to 2012 member of several bands as guitarist and singer, performed live all around Italy and two international tours in 2005 and 2008

Other skills Interest in auto production and DIY culture. Important experience in developing a personal clothing and event brand "MyBriosh" from 2007 to 2011 (numerous clothing designs and big events with international djs for more than 2000 spectators)
Another great passion is rugby, a school of life that has taught me the meaning of team and of supporting each other

Driving licence B (ordinary cars and motorbikes up to 125cc)
