

Film and video editor with 10+ years of experience in editing and post-production, specialised in documentary, factual TV, branded content, archive films. My credits include BBC, Vice News, ITV, Channel 4, Discovery, as well as world leading NGOs, agencies, and independent productions. I've worked on two seasons of the award winning TV series *Disasters Engineered* (Discovery), and I've assisted Academy Award winning film editor Walter Murch on his latest documentary, *Coup* 53.

DOCUMENTARY AND FACTUAL TV

Aldo Rossi Design

Director: Francesca Molteni, Mattia Colombo
Production company: Muse Factory of Projects
42'

Realised in collaboration with Fondazione Aldo Rossi, *Aldo Rossi Design* is the first documentary reconstructing the relationship between the great architect and the design world.
