FEDERICA BOVE

2D ANIMATOR & STORYBOARD ARTIST

Anyone can be an artist, but the difference lies in knowing how to be an artist.

Whether through an illustration, a comic, an animation, or a simple sequence of images, I tell stories and make visible the deepest thoughts or the simplest concepts of people.

I observe, design and produce, learning from the greatest and forging my own path.

Dedication and creativity are the foundations of my professionalism, the starting points for building my business.
