ERIK LAVACCHIELLI

After the Hotellerie School he started working for Bruno Barbieri, 7 Michelin Stars in his career, going from being an intern to become his own right hand. Today Bruno Barbieri calls Erik his "Historical Collaborator". For this same reason, he chose him to take his place inside the kitchen, where he can experiment his contemporary cuisine mixed with the historical roots of the Italian Cuisine. Some of his most famous dishes are tortellini, crunchy lasagna, imperial soup, boiled meat, and tagliatelle. This historical dishes are then influenced and revisited with cuisines coming from all over the world.

"FORGET IT "

Fourghetti is the place where time is yours, where you can forget everything there is outside our doors. It's a moment where everything that matters is you, and your experience at Fourghetti.

TRAVELLING THROUGH FOOD

A cuisine rich of contaminations,
a great regionality with notes from Arab countries.
A cuisine that always looks at seasonality
and for this reason always changing.
At Fourghetti you can feel the pure Italian
and Bolognese spirit, but at the same time it
feels like you might be in New York,
Beirut, or Los Angeles.
