

Francesco Lupi

I am young and have a strong desire to grow and learn. My current goal is to experience new environments and learn as much as possible from them. My balanced nature allows me to remain calm in complex situations, demonstrating flexibility and willingness to adapt to new challenges and environments. I believe in mutual respect, the value of collaboration, and effective communication. I am enthusiastic about applying my skills in a stimulating work environment, continuing to grow both personally and professionally.

Experience

Nova Siri MT, Basilicata, Italy <i>Apr 2025 - May 2025</i>	Sports Educator Delfi, Sailing school The association periodically hosts school camps, and throughout the day, educators must manage the activities planned for the children: theoretical and practical instruction in sailing and canoeing; bicycle and walking excursions; sports tournaments (volleyball, soccer, table tennis, archery). In addition, maintenance of the equipment and boats was essential.
Bardonecchia TO, Piemonte, Italy <i>Jan 2025 - Mar 2025</i>	Bartender Cooperative DOC, Olympic Village The assigned duties included: operating the coffee machine; preparing and serving alcoholic and non-alcoholic beverages; operating the cash register, including the necessary recounting; opening and closing the premises; and ensuring constant hygiene and cleanliness of the environment.
Savio RA, Emilia-Romagna, Italy <i>May 2024 - Aug 2024</i>	Technical employee trainee RSTCovers Rusticali e Gatta During my internship at the company, I was responsible for modeling the requested products using Rhinoceros 3D, including tarpaulins for drifts boats, spray hoods, and winter covers. My responsibilities also included practical activities in production, such as cutting and sewing finished products. This experience allowed me to deepen my knowledge of business processes, with a particular focus on the organization of a manufacturing company and the importance of time management to ensure efficiency and quality.
Lido Adriano RA, Emilia-Romagna, Italy <i>Jun 2024 - Aug 2024</i>	Beach Attendant Bagno 007 Beach During the week, my duties were limited to opening and closing the beach. On weekends, I welcomed guests, set up sunbeds, umbrellas, and deck chairs, and opened the beach.
Cesenatico FC, Emilia-Romagna, Italy <i>Jun 2023 - Aug 2023</i>	Sailing and Sup Instructor Cooperative DOC, Colonia Agip My job involved teaching the children staying at the camp the basics of sailing and stand-up paddleboarding, and assisting them with practical learning on the boats. Sailing lessons were to be given on dinghies: Laser Radial, Optimist, Tridente 16, and 470. I also had to ensure the integrity of the boats used.
Lido delle Nazioni FE, Emilia-Romagna, Italy <i>May 2023 - Jun 2023</i>	Sailing Instructor Spiaggia Romea Village & Residence The village is home to the Ferrara Naval League's nautical center. The project I took part in is called PalestrAcqua. The project focuses on secondary school students, and my responsibility was to teach the basics of sailing at a theoretical and practical level. The boats used in the practical lessons were Tridente 16s.
Marina di Massa MS, Tuscany, Italy <i>Jul 2022 - Aug 2022</i>	Waiter Cooperative DOC, Torre Marina Village Independent management of tables and assigned tasks in order to provide fast and friendly service to customers. Buffet service and portioning. Tidying up, cleaning, and final sanitization of the premises.
Nova Siri MT, Basilicata, Italy <i>Jun 2021 - Aug 2021</i>	Sailing Instructor Eco-Village Sira Resort My job was to manage and supervise the water sports activities offered by the resort: dinghy and catamaran sailing, windsurfing, canoeing, and SUP lessons. Upon request, guests could receive basic instruction in sailing.

Education

High school diploma in science, specializing in applied sciences <i>- Jul 2022</i>	High School Diploma IIS Alessandro Volta, Sassuolo MO, Italy
DESIGN ENGINEER for the nautical industry, experienced in the development of innovative products with low environmental impact, focusing on performance and circular production processes. <i>Dec 2023 - Nov 2024</i>	Advanced Technical Training Course I.F.T.S Rif P.A. 2023-19415/RER · Forlì FC, Italy

Skills

- Good interpersonal and teamwork skills, developed mainly during my school years, in music and at work.
- Reliable skills in supervising and managing young people, developed through work with them.
- Computer skills: Proficient in the use of computers. In particular, Office suite programs.
- Technical skills: understanding of technical drawing; effective drawing and 3D modeling skills (especially with Rhinoceros).
- Manual skills: familiarity with carpentry equipment; skilled in machine sewing.
- Decent sailing skills. Gradually acquired through specialized courses and leisure cruise. While working in this field, I developed good skills in passing on this knowledge.
- Good self-management and organizational skills, essential for jobs that require speed and responsibility.
