ENE A is a project born at the end of 2021. The members of the band are Enea Pilotto (voice and guitar), Michele Paci (keyboards), Federico Rampa (drums) and Andrea Ruscelli (bass).

Their songs are inspired by American country-blues culture and recall typical sounds of the genre.

They definitely have a country soul and, at the same time, they are well placed in the Italian pop scene, embracing a very wide audience.
