WORKING EXPERIENCE

From 2001 to 2013, as an employee, i worked as a motion graphics designer and art director, for brands such as Ducati, Ferrari, Technogym, Orogel, Feltrinelli, Regione Lombardia, Scm, Trevi, Aeffe, Coop, Conad, and many many more, including several projects for Vasco Rossi, and 2D animations and compositing for the cartoon series "Matì e Dadà" still on rotation on the RAI YoYo italian channel.

Freelance from 2013, i worked on several productions, formats, and documentaries, mainly for Rai and Sky, taking care of all the aspects concerning graphic design: planning titles and intro shots, creating and animating diagrams and infographics, building archive images from scratch, and giving life to still images, footage, and various types of graphic materials, always keeping an eye to the mood and atmosphere of the production, working close by the director and editor.

Some of the productions i worked on:

- "Nel Pallone" (2014) Mini series of 4 episodes for the LaEffe channel
- "Pianisti" (2015) Series of 10 episodes for the Classica SKY channel
- "Rotte indipendenti" (2016), Docu-series of 4 episodes about the independent italian music scene for SKY Arte
- "Vai col liscio" (2017) Series for SKY Arte about liscio music.
- "La terra dei motori" (2017) Documentary about the italian minibikes racing scene for RAI television
- "68-pop revolution" (2018) Docu-series for SKY Arte HD
- "Pentcho" (2018) Documentary for Rai Cinema
- "At The Matinee" (2019) Documentary about the legendary New York club
- "Berlino Est/Ovest" (2019) Documentary hosted by Manuel Agnelli
- "Disco Ruin" (2021) Documentary about the social and architectural history of the italian "discoteca"
- "La Fisarmonica" (2021) Documentary for SKY about the history of the accordion, hosted by Raphael Gualazzi
- "L'Aviatore" (2022) Documentary for RAI Doc about Gilles Villeneuve's life
- "Sound Gigante" (2022) Docu-series for SKY Arte
- "Luci per Ustica" (2023) Documentary for RAI Doc
