

CV FANTOMATICA S.R.L.

We are a creative group of authors and directors with more than ten years of experience in new media, television and cinema. *Fantomatica* is a new production company that shows you what you can't see: stories, emotions and ideas. We are professionals with an Italian outlook and international perspective, focused on stories with a deep social impact presented with a strong creative approach. Based in Bologna, *Fantomatica* has been haunting Europe and beyond since 2022, crossing barriers, borders, and genres.

Founders

Vittorio Martone – CEO and founder

A journalist with more than 15 years of experience, committed to telling stories with the tools of reportage, podcast and cinema. He wrote and produced the documentaries *La prima volta* (*The first time*), about the juvenile prison of Bologna, and *Porpora*, about the Italian trans activist Porpora Marcasciano. Vittorio holds a degree in film production from the *Fare Cinema Foundation*, founded by director Marco Bellocchio.

Luca Buonocore – Manager and founder

A business leader with more than ten years of strong customer-facing experience in strategy development and execution, business development, digital transformation, and delivery of new commercial propositions. Luca holds a full-time MBA from SDA Bocconi Business School.
