Personal profile

My strengths are perseverance and determination.

I started working at the age of 18, just after high school, as a tourist animator around the world. This experience helped me to grow as a person and to build the foundation of discipline at work.

My curiosity and desire to learn then led me to enroll in university to further improve my knowledge of languages.

I have learned, working in different companies, belonging to different sectors, to relate to the customer and to satisfy every request, and to collaborate with the team of colleagues maximizing the work.

Experience in the field

- **Film Producer apprentice at Combo Società Cooperativa since 2024**
- **Production secretary for the documentary "Going Underground" produced by Sonne Film and Just Wanted directed by Lisa Bosi**

Languages

- Italian - Mother tongue
- Spanish - Bilingual
