Personal interests

THEATRE: I attended various theatre courses at an amateur level from 2011 to 2022. I took part in training and theatrical technique lessons and I am part of the 'Teatro Veneto Città di Este' company. Thanks to my master degree course, I followed workshops with Chiara Lagani of Fanny&Alexander, with Rimini Protokoll, Gabriele Vacis and CollettivO CineticO.

SCOUT: I was part of the Federation of European Scouts from 2004 to 2021. Thanks to this activity, I've learned how to live in poor conditions, to share experiences with a group, to relate to unit leaders, to resolve difficulties, to be available, organize myself better and, most of all, to become more responsible.

WRITING: I think writing is a sort of escape from the everyday life and problems. I took part in two Erasmus+ projects, both based on Theater and Poetry (one as a participant and one as an organizer) and one of my poems appeared in the Crepuscolo collection published by Aletti for the 2021 "La Panchina dei Versi" competition.
