Personal skills and competences

Mother tongue(s) **Italian**

Other language(s) **English**

Self-assessment

Understanding Excellent	Speaking Good	Writing Very Good
-----------------------------------	-------------------------	-----------------------------

Organisational skills and competences

In over ten years of work I have often found myself working in teams and towards common goals. I love research, in whatever field it is applied: by research I mean the desire to grow, find new ways, increase my knowledge to try to be a better person as well as a better worker. My approach to work and life issues has always been to consider them as training experiences, trying to capitalize on the new knowledge that I acquired and perfected every time, improving and integrating the skills already possessed.

Technical skills and competences

I work on my own between Rimini, Florence, Bologna and other Italian cities
Since September 2022 I have opened a tattoo and make up studio in Vergato (BO)
GORILLA STUDIO TATTOO, where I work with private individuals.

Driving licence **B**
