SUMMARY

I'm skilled in various areas of production, I thrive on teamwork and professional relationships with colleagues, and I have extensive experience on film sets and television productions. I can navigate any situation and operate a wide range of equipment. I continue to gain experience, and I'm appreciated by the people I work with.

EXPERIENCE

"DOPO LE NUVOLE" Matteo Paba 2022

Photography assistant and boom operator

I worked on this film as a Jolly, I did both backstage and first-person shots for the success of the film, providing material and technical experience, especially as a Boom Operator and photography assistant.

"LIBERI TUTTI!" Otello Cenci 2023

Sound Technician

A large theatrical show on which I worked as a sound engineer. The premiere was held in Lugano (Switzerland) and subsequent performances were held in Italy.

"MADAMA BUTTERFLY" 2024

video direction

On board the Italian Navy's aircraft carrier G. Garibaldi, I staged and directed the video of the world's first opera performance on an aircraft carrier.

"BLOOMING DEATH" Luca Fabiani 2025

Ass. of photography

In this film I lent locations for shooting and acted as a photography assistant as well as a clapperboard operator.

"CAGNAZ" Alessandro Roia 2025

Production Secretary Ass.

On this production I worked as an assistant to the production secretary, but also served as a stagehand for a short period of time out of necessity.
