WORK EXPERIENCES

ASH GRAY FILM (owner)
Produzione video
2022 - current

BOLOGNA, ITALY

Director / D.O.P. and owner

Ash Gray Film was born from the will to consolidate years of experience and passion for cinematography. Today we deal with video productions in general, collaborating with various realities in Emilia Romagna and beyond. We take care of the entire video making process, from writing to post-production until final delivery.

AD COMMUNICATIONS
Communication agency
2021 - current

BOLOGNA, ITALY

Collaboration with Ash Gray Film

Since my move to Bologna in 2021, I have started a collaboration with AD Communications (by Deborah Annolino, journalist), which creates video and journalistic formats on Bologna and its surroundings. My work is from pre-production to final delivery.
www.adcommunications.it

FAERIA PRODUZIONE
2016 - 2020

CATANIA, ITALY

Filmmaker freelance

In these 4 years I have collaborated as a freelance with Faeria, a video production in Catania. I made several commercials, product videos, corporate videos, plays, essays and events.

Fine Art Photography
Nicoletti
jan 2015 - mar 2016

SCHONGAU, GERMANIA

Fotografo, videomaker

Experience abroad in a video/photo studio. I was in charge of managing the store independently and managed the photographic and videographic part. I have done numerous photo editing and advertising jobs. I created videos for companies and individuals.

TRAIPLER
2016 - 2019

SICILY, ITALY

Filmmaker (collaborator for Sicily)

I worked throughout Sicily in collaboration with the well known Traipier video production agency, that collaborates with a selection of filmmakers for each region of Italy.
www.traipier.com

giummarrafotografo
2009 - 2015

COMISO, ITALY

Fotografo, videomaker

I worked in the family business, focusing myself to the videographic and photographic department. I also made graphic works such as the design of posters and advertising material.
