PROFESSIONAL EXPERIENCE

Bridal and Ceremonies

Doing make-up for brides is my specialty, and the signature look I create for them is a timeless make-up: chic, natural, and soft glam. I enhance the client's natural beauty without drastic changes. Upon request, I also create full glam and airbrush bridal make-up.

Cinema and TV

I have had the pleasure of working on several shorts and films in Italian independent cinema, including *Adam* (P. Pinto) and *Roberto Zucco* (G. Cavallini), both screened at the 2020 Venice Biennale, *Dio Esiste* (A. Benedetto), *Clara* (F. Longo), and *Biasanò* (P. Muran). I also worked on *Amati Fantasmi* (R. Marchesini), a docu-fiction aired on Rai 5.

Photography

I work with professional models, aspiring talent, actors/actresses, and private individuals who wish to feel enhanced before having professional photos taken. I had the honor of working for Sam Barker, an award-winning international portrait photographer. I have worked for Maestrami Uomo. Regarding editorial beauty make-up, some of my works have been published in *Malvie Magazine*, *Edith Magazine*, and *Vigour Magazine*.

Commercials and Corporate Videos

I have worked and still work as a make-up artist for commercials, including Coop, PoltroneSofà, Betway, Pitagora, Unipol, and corporate videos including Confindustria, Bologna Welcome, and Bologna Airport. Among the various production houses I collaborate with are WildLab Multimedia, Horizon, and Giostra Film.

AWARDS

I won the **Wedding Awards 2024, 2025, and 2026**, honors obtained thanks to real reviews from my clients on the [matrimonio.com](https://www.matrimonio.com) platform, which ranks me among the best Bridal Make-Up Artists & Hairstylists in Bologna and its province.
