I.B.C. Movie is a production company formed in July 1999 by Beppe Caschetto.

Over the past twenty years I.B.C. Movie has produced more than thirty feature films and operates as well in producing tv series, sitcom, tv shows, commercials and theatrical productions.

I.B.C. Movie is today one of the most prominent production companies operating in the audiovisual sector in Italy, it has reached this position by not only carrying out the production, but also by constantly keeping active, thus enabling activities connected to the audiovisual sector.
