### PRESENTATION

My name is Sara, I'm 25 years old and I live in Modena. I'm trying to become a make-up artist, a dream which I guard since I was a little girl, as everything related to cosmetics has always fascinated me.

I collaborated in the creation of two short films and a TV series.

Futhermore, I have carried out work outside the cinematographic context such as ceremonies and photo shoots.

I have driving license, and I can move around to reach the places of work.

I can speak English (B1) and a little bit of spanish.

I'm kind, determinate and always ready to know new people and new things.

I'm great working in a team, and also to manage certain contexts of high tension and stress.

### EXPERIENCE

#### **MAKE-UP ARTIST, WILDSIDE S.R.L, CAGLIARI - ALGHERO, MAY-JUNE 2024**

During filming the TV series "IRIS", I did makeups to the extras and stunts. I covered tattoos, trimmed beards, some natural looks for male and female. I changed makeups in the sets for change of scene.

#### **MAKE-UP ARTIST, PRIVATE DIRECTOR, CREVALCORE (BO) FEBRUARY 2024**

I did the makeup for the short film "IL MIMO". I took care of the main actor's makeup, who did the mime. The sets were outside, and the difference location often it took to change light. This situation led me to discuss with my colleagues to best carry out the implementation of this project.

#### **MAKE-UP ARTIST, PRIVATE DIRECTOR, BOLOGNA MARZO 2024**

During filming the short film named "SKIM, KID", I used to do the makeups for the main actors and extras. It was an dark internal location, the light crossed the actors's faces, for this reason the makeup should be natural and the actors had to looked like in a home context.
