

EMANUELE TUNDO

DRONE OPERATOR

EXPERIENCES

I have been a drone pilot since 2015 even though I recently started professionally. I have always been passionate about all that is radio-controlled, even more if it can fly. I fly with both stabilized drones and FPV drones. I am professionally qualified to carry out aerial work in compliance with all applicable regulations for drone flight. I have an inherent ATECO code and communicated to the Modena police station

SKILLS

- Drone piloting
- Piloting FPV drones also indoors
- Aeronautical communications management
- Drone regulatory knowledge
- ENAC Specific IT-STS01/ IT-STS02 qualification
- Video editing
