ABOUT ME

CREATIVE
GRITTY
SOLAR
CURIOUS

"Hi, my name is Alice and photography, fashion and graphics are my three great passions.
I always like to have new experiences, because each one has always attracted me. I look at the world 360° without ever locking myself into a single vision. I have always tried to give the best of myself in every little thing I have done and I hope I can be part of
of a new working group."
