

GAME CHANGING

Melazeta is an italian digital agency.

Founded in 2000 and based in Modena and Milan, Melazeta designed and developed over 800 online games, about 100 Apps (iOS and Android), VR and AR projects and over 1000 minutes of video cartoons to support the digital engagement strategies of national and international organizations

Our team includes game designers, creative and developers cartoonists

and we are part of IIDEA, the Italian association of videogames developers and Cartoons Italia.
